At RPCushing we provide a comprehensive and professional recruitment consultancy based on a simple principle; we believe that the success of your business depends on the combined talents of outstanding individuals.

It is our job to seek out and identify these specific talents, introducing candidates of the highest quality to provide bespoke solutions to your needs.

**We take a no nonsense approach to recruitment,
why make it complicated!**

Our teams of specialists are sector specific within their industry and can call on a range of innovative products tailored to your requirements. Our experience and expertise provides you with client care that is both cost effective and highly focused.

Our clients tell us that they enjoy working with us because of our honest and straight forward approach. Working in partnership with you, understanding how you work and more importantly your culture – we can help you to create the right match for your business.

We have a proven track record in achieving results!

Standing out from the crowd – when we started the business we wanted to champion talent, this cuts through the core of who we are as a business. Clients and candidates are showcased by a unique team of specialist consultants who are professional and more importantly respected by the people in the sectors that we operate within.

Getting to know you is our business!
